Additional Terms for Amazon Distribution Program

By opting-in, Your Product is eligible and may be selected for inclusion in the Amazon Distribution Program. The Amazon Distribution Program allows Your Product to be sold by Amazon and redeemed by an end user through the end user's Viveport account.

If You elect to participate in the Amazon Distribution Program and Your Product is purchased by an end user from Amazon, then, Your compensation will be determined as follows: (1) after removing refunds or chargebacks, Amazon will pay to Platform Provider a royalty on each Product sale ("Royalty") based on the list price You provided for Your Product ("List Price"); then (2) a Platform Fee of 30% of the Royalty will be charged and subtracted from the Royalty received from Amazon; and (3) the remainder of the Royalty amount received from Amazon will be remitted back to You, less any subsequent refunds, applicable withholding taxes, chargeback fees, currency charges, or other reasonable related transaction fees and expenses. List price shall be inclusive of VAT or similar taxes, but all taxes (including VAT) and any separately stated fees or charges are excluded from the List Price for calculation of Royalties. Payment will be made once Your portion of the total amount of Royalty payments received reaches a minimum payment threshold. For reference only, as of the date listed above, the Royalty was 84% of the List Price of Your Product, but is subject to change at Amazon's discretion. Changes You make to the List Price after initial Product submission may not be reflected in Your compensation for a period of up to sixty (60) days. The retail price displayed by Amazon may not reflect the List Price You provided for the Product.

The countries in which Your Product may be distributed as part of this Program will be determined by Platform Provider. If You elect to participate in the Amazon Distribution Program, You agree that Amazon may advertise, publicly display, and promote Your Product and utilize any trademarks associated therewith in connection with the Amazon Distribution Program.

Enrollment in the Amazon Distribution Program does not guarantee that Your Product will be placed or used in this Program. Notwithstanding any lesser period specified in the Viveport Platform Agreement, Platform Provider will remove Your title from the Amazon Distribution Program within sixty (60) days after receipt of Your request. Platform Provider may terminate Your participation in the Amazon Distribution Program, in whole or in part, at any time in its sole discretion.

By opting-in, You agree to these Additional Terms and agree to comply with all applicable program requirements and other terms and conditions set forth in the Viveport Platform Agreement.
